

You Can Help Our Church School Children Be Santa!

One of the goals in our church school program is to teach our children awareness of the needs of others. The children love to take that awareness to the next level, and they will complete a mission project at our Christmas Eve service by decorating and filling individual packages for children in need. The packages will be delivered to WINS (Women in Need Society) who will distribute them for us. Members of the congregation can help **by bringing in** any of the items listed below as you attend the **Dec. 10 service**. These items will be a real treat for children who do not have regular access to items we all tend to take for granted. There will be boxes in the foyer on Dec. 10 for any items you are able to provide, all gratefully received! Thank you and bless you!
