

Looking for a volunteer opportunity to help children with food insecurity?

The Ladies Guild, in partnership with Brown Bagging for Calgary's Kids (BB4CK), sponsors a Community Group which meets each Wednesday morning at 9:00 am in the main kitchen. The group prepares and delivers lunches for elementary and junior high students who are at risk of food insecurity and follows the Calgary Catholic School District calendar.

There are opportunities for people in our congregation to join our group - and you don't have to be a member of the Guild to do so! This group meets Wednesdays, 9:00 am to 10:30 AM, each school week.
